

Project Demo Planning

Date	05 July 2026
Team ID	XXXXXX
Project Name	A Comprehensive Measure of Well-being (HDI)
Maximum Marks	Maximum Marks: 1 Mark

Project Demo Planning:

A well-structured demo plan ensures that the team presents the HDI – A Comprehensive Measure of Well-being project effectively. This document outlines the demo flow, key features to be demonstrated, and responsibilities during the project presentation.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Introduction	Introduce the project and explain the problem statement	2	Team member 1
2	Project overview	Explain objectives, dataset, and machine learning model	3	Team member 2
3	Feature demonstration	Demonstrate HDI prediction using sample inputs	5	Team member 3
4	Result analysis	Explain prediction results and project benefits	3	Team member 4
5	Technical architecture	Explain Flask application, model, and workflow	3	Team member 5
6	Conclusion	Summarize the project and future enhancements	2	Team member

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Explain the need for HDI prediction
2	Solution Overview	Describe the machine learning model and workflow
3	Live Feature Demonstration	Enter sample values and display the predicted HDI
4	Q&A Session	Answer evaluator questions and conclude the presentation
