

Problem-Solution Fit

Date	05 July 2026
Team ID	XXXXXX XXXXXX
Project Name	A Comprehensive Measure of Well-being (HDI)
Maximum Marks	5 Marks

Problem-Solution Fit Canvas :

The Problem–Solution Fit Canvas helps identify the user's problems, needs, and challenges while ensuring the proposed solution effectively addresses them. For the HDI – A Comprehensive Measure of Well-being project, it helps design a simple and user-focused solution that improves understanding of overall well-being.

1. CUSTOMER SEGMENT(S) [CS] • Students • Citizens • Researchers • Govt Organisations	6. CUSTOMER LIMITATIONS EG. BUDGET, DEVICES [CL] • Limited awareness • Lack of simple tools	5. AVAILABLE SOLUTIONS PROS & CONS [AS] • Govt reports • Basic HDI websites
